Brand new conversion, VW t6 Long wheel base, based on the very high spec Highline model chassis with the much sort after DSG automatic gearbox, (this is not a budget van with a budget conversion.), The base vehicle has stop/start technology, auto LED headlights, leather steering wheel with integrated stereo and cruise control buttons, usb and 12v connections, dab radio with cd player, PAS, front fog lights, front and rear parking sensors, air con, Alloy wheels along with some aftermarket fitments of roof bars, side foot plates, chrome mirror covers, rear bumper protector and external sunscreen visor. The conversion has been completed to high spec with rear privacy glass, a crash tested rock and roll bed that slides up and down with ease NO fighting with it needed. All furniture is heavy duty and will stand up to having a scrub without losing the grain or colour and thick enough to stand the test of time. There is a 12v compressor fridge, 2 burner hob, sink, led lighting blue
