FULL SERVICE HISTORY

One owner from new Mclouis Tandy 640 7 berth motorhome based on the Fiat Ducato 3.0 multijet covering 34000 miles from new. The layout of this motorhome is rear bunk beds, the bottom bunk doubles as a large garage to store your sports etc. which can be accessed from both sides via very large garage doors big enough to accommodate a dirt bike. To the offside of the motorhome in front of the bunks is the kitchen this has a separate 3 way auto fridge freezer great for those longer trips away. Full cooker with gas hobs, oven, grill and pot storage under the oven. The sink is a good size with an inset to give you more worktop space while cooking. There is storage for all your groceries too. To the near side in front of the bunks is the large sized wardrobe following on the wardrobe on the near side is the washroom this consists of a robe hanger, 2 hand towel hangers, vanity mirror, toilet, separate shower (which the previous owner said they never used) there is plenty of storage in this ...
