FULL SERVICE HISTORY

2007 Autotrail Miami 4 berth based on the 2.5 Renault covering 50000 miles from new. The layout of this motorhome is twin fixed single beds. The washroom is the full width of the motorhome and has a separate shower, electric flushing toilet, hand basin, vanity mirror, storage for toiletries and also a wardrobe. To the front of the washroom is a self contained bedroom with twin fixed single beds there is connection for a TV as well storage under the beds as well as over head, this area is bright and airy thanks to the large windows each side. Centrally is the kitchen this is an "L" shaped affair with a full cooker, hide away sink, plenty of storage for the groceries, Large fridge freezer so you can take plenty on a trip. To the front is the lounge made bigger by swiveling the from travelling seats round, there is also 2 x 3 point seat belts in the rear meaning 4 people can be safely belted. The side settee is great to an extra seat around the dinner table. There is storage overhead for...
