SERVICE HISTORY

Tag axel Burstner Argos 747 Quality built 6/7 berth motorhome with 6 3x point seats and will require a C1 license to drive. The layout of this motorhome is large rear garage with transverse bed across the rear with central washroom and kitchen and a large social lounge by the cab. There is also a super size bed above the cab. This motorhome has a wet central heating (aldi) so works a bit like your heating at home. leather interior for the luxury modern feel as well as having a double hull which makes the thermal properties better and doubles up as a whole load of storage space for your ski's ect. There is a reversing camera ready fitted as well as roll out awning. All our motorhomes come with a new MOT, full service and habitation check. We are clearing some of our many part exchanges that we have built up over the last few months this has just been reduced by £2000 still to include new mot service and gas check. £ months warranty.
