SERVICE HISTORY

1997 Autotrail Mohican 4 berth based on the Fiat Ducato 2.5tdi 5 speed manual covering 71000 miles from new. The layout of this motorhome is large rear washroom. The large rear washroom has a separate shower, hand basin, and even a dresser area as well as wardrobe and toilet hidden under the dresser seat. Centrally is the kitchen this has a microwave, full oven, 3 way fridge, sink with built in drainer and plenty of places to store the groceries. To the front of the motorhome is the lounge made up of a large I shaped sofa and makes into a double to the near side is a long side settee and the over head of the cab is a double bed too. Having driven this myself it drives well. There is a towbar ready fitted as well as bike rack and awning. We are clearing some of our many part exchanges that we have built up over the last few months this has just been reduced by £1000 still to include new mot service and gas check. 3 months warranty.
