2003 Dethleffs Globebus 2 Compact 3 berth the last owner having the motorhome for the last 14 years. Based on the 2.3 Fiat Ducato turbo diesel chassis covering 79600 miles from new with the previous owner having the motorhome for 14 years, he really was sad to see it go. The layout of the motorhome is rear fixed French bed with ample storage below. The shower is to the rear with toilet, shower, hand basin, plus there is space the toiletries. The kitchen is in front of the washroom and has a 3 way fridge with freezer box, bowl sink with built in work top, 3 burner gas hob. To the front is a dinette area which has a further 2 travelling seats and with the front seats swiveled around makes up a good sized lounge . There are few extras ready fitted to the vehicle towbar, awning, ladder, bike rack, roof racking,
