SERVICE HISTORY

AUTOMATIC 2005 Concorde Charisma 1830H 5 berth luxury motorhome based on the 2.7 Mercedes Sprinter 616CDi covering just 43524 miles from new. The gross weight is 5990kg so will require a C1 license to drive. This motorcoach is a everything and more and has all the extras you could think of... The layout is rear transverse bed with extra large garage below, the garage has a drop down folding ramp for easy of scooter and other heavy wheeled items. 2 large garage doors either side to have good access to everything inside. The rear bed has over head lockers for storing you books etc. This then leads to the washroom on the offside which has everything an ensuite would have with a separate shower, electric flushing toilet, hand basin, cabinet with vanity mirror doors as well a great sized mirror on the wall and storage for all your toiletries. The washroom door swings round to cut off the bedroom too meaning you have privacy when getting changed as well as access to your 2 wardrobes. Cen...
