FULL SERVICE HISTORY

Look at this fantastic, BRAND NEW conversion and vehicle! The Wellhouse conversion is absolutely top quality, no expense has been spared with regards to the conversion, or the vehicle itself. We currently have two of these Matino conversions in stock, one white and one grey. Both have an amazing finish to everything in sight, and only the top spec products have been used for building, and appliances. The base vehicles themselves (BRAND NEW Toyota ProAce) both run on a beautiful 8 speed fully automatic gearbox with flappy paddles on the steering wheels. The engines are a 2.0 turbo diesel and are also the highest power that you can buy, 180hp. When we purchased these two Matinos we made sure that both vans had an extremely high specification from the factory with many extras such as: Heads up display, air conditioning, adaptive cruise control, sat navigation, engine start stop system, blind spot indicators, parking sensors, and so much more! A big list of the extras will be left under al...
